TERMS:

Terms of the sale are cash or check payable immediately upon conclusion of the sale and before the animals are moved. Cattle will sell under the standard terms and conditions as recommended by the American Angus Association.

BREEDING GUARANTEE:

The consignors of the bulls guarantee that all bulls sold are fertile and are sound breeders as per a current Breeding Soundness Exam. If a bull is proven to not be a breeder, he may be returned to the respective breeder if healthy and in adequate condition.

The buyer can select a suitable replacement or receive credit at the next sale for the purchase price minus any salvage value. At no time are the consignors of the Bull Bash of Madison County liable for more than the bull's purchase price.

SALE INFORMATION

BULL WINTERING PROGRAM:

We believe that it is much better for you to take your bulls home sale day or shortly after. This allows the bulls to become acclimated to their new environment and new owners. As a service to you, if you need someone to board your bulls, we have made arrangements for that. Dennis Menefee of Menefee Feedlots and Guthrie Center is willing to do that for \$1.75 per day. After the bulls go through the ring, they are your property and responsibility. We highly recommend mortality insurance for those bulls going to the feedlot. The bulls will be transported to the feedlot, but it is your responsibility to pick them up in the spring. Please let the clerks know if you want your bulls to go to the feedlot. Dennis' cell phone number for pick up is 641-740-0712.

LIABILITY AND INSURANCE:

EJ Shepherd Charolais and Carstens Farms, Ltd. assume no liability for accidents or injuries that occur on the sale premises. It is recommended that buyers insure their purchases. The purchaser assumes the risk of death or injury to their livestock immediately after the purchase.

Dear Friends,

I want to welcome you to The Bull Bash of Madison County on February 27, 2010 at the Madison County Auction in Winterset.

This year I want to welcome EJ Shepherd Charolais of Stuart, Iowa as a consignor. Everett and Julie are doing a lot of ET work to meet your Charolais bull needs. I have scaled my Charolais cows down to what I consider an elite herd. We will have some outstanding Angus and Charolais bulls for your scrutiny.

This year has been quite a ride as we had one of the coolest summers on record, record rainfall in October, a very wet and large corn crop and record snow and cold to close out 2009. Although the weather is a constant challenge, we are also challenged to bring you genetics that will help you succeed in the cattle business.

I truly believe that we are offering genetics that will improve any herd. Please come and see for yourself. Thank you for your past and future purchases and most of all for your friendship.
