

## ADDED LOTS

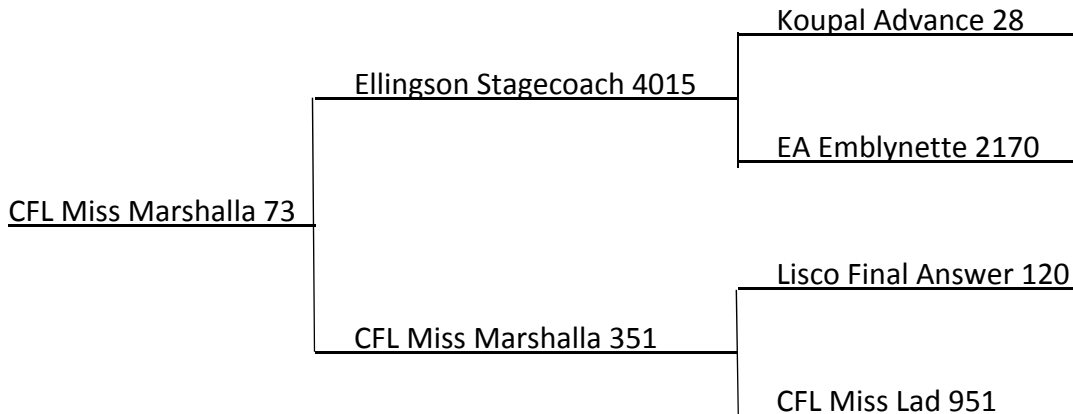

**LOT 76X**    BD: 2-21-17    BW: 72    Adj. WW: 792    Adj. Yrlg: 1280

Our grandson, Zach, was awarded three heifers from a youth heifer program. The mother of this bull was a registered Angus cow, but Zach was unable to get papers for her, so the bull is purebred, but sells without papers. It should be a calving-ease bull with a 72# birth weight and having been sired by Bismarck and out of a Final Answer dam.

### **LOT 77X    CFL Miss Marshalla 73**

Calved 5-10-17    Cow 18968900

BW: 73 lbs.  
Adj. WW: 614 lbs.

Her EPD profile offers calving ease with solid growth and performance. She has a sure shot calving-ease pedigree combining Stagecoach with Final Answer. Heifer's WWR of 103 and her mother has had three calves ratio 100.
